SPECIAL SITUATIONS

Is there a court order affecting the custody of this child?

Please initial your response: Yes _____ No _____

If you checked yes then,

- Please provide a certified copy of the court order, signed by the presiding Judge.
- In compliance with Florida Statutes, we require documentation regarding which parent has legal custody in the case of separation or divorce.
- If there is no legal documentation, then both parents have the right of access to school records and pick-up of their children.
- It is the responsibility of the custodial parent to provide legal documentation verifying custody arrangements. Moreover, custodial parents are responsible for notifying the Academy, in writing, of any special circumstances with regard to the rights and obligations of the non-custodial parent. This includes providing written permission for the non-custodial parent to pick up a child on a regular basis or for a special occasion.
